Meridian Foods Ltd.

Meridian Foods Ltd. was established in August in 1998 with a vision to create an industry of food where there's no consideration with quality at a beautiful site at BSCIC Industrial Estate, Plot No: A 58, 59 Kalurghat, Chittagong, Bangladesh. It came with the best food in Bangladesh. Immediately after the introduction of the brand MERIDIAN it became very popular among its consumer because of the high quality and intensive distribution in every nook and corner of the country. Most of our raw materials come from various foreign countries. The quality is very strictly controlled. At every step non standard products are discarded. That's why Meridian it just not a name today rather it's a Brand of Brand.

Meridian Foods Ltd. deals with all products of **Meridian** that is either produced or processed and packed under the name **Meridian** in Bangladesh. We are proud to be the first and only company in Bangladesh to market real quality (Chicken, Shrimp & Vegetable) chips ensuring best of its quality with real presence of raw materials (without any flavor) in the finished products. As a new and quality product, market response makes **Meridian** as a successful brand, which led the company to introduce other potential products in the local market of Bangladesh such as **Meridian sticks, Meridian Noodles, Meridian Potato crackers** etc.

Corporate Social Responsibility (CSR)

Meridian Group CSR is the premeditated addition of public importance into corporate decision-making, and the honoring of a triple bottom line: People, Planet, and Profit. Meridian Group is guided by economic, legal, ethical and charitable responsibility that dealing with shareholders, employees, consumers, business partners, government and the wider community.

Health Care

Meridian Group takes a collective effort to make public health as frontline agenda; Meridian Group has initiated and implemented several programs including **Health Care Program** and **Eye Campaign** Program in different areas at Bandarban, Noakhali, Mirsarai, Feni etc. Meridian arranges Eye Campaign for almost 3,000 people each year. It takes nearly 500 people who are affected by the complexity of eyes every year. Therefore, Meridian Group serves the under-privileged and deprived community by taking full free surgery such as *Cataract Surgery (Extracapsular & Intracapsular Surgery)*, *Glaucoma Surgery*, *Lid Repair Surgery* etc. each year. Everything is done here as free of cost. Henceforth, free medicine is being given to almost 1,500 people over the year for ensuring their sound health and free from diseases in locality. Meridian Group is working jointly with **Lions International Eye Foundation**.

Meridian Group

The Managing Director of Meridian Group is an active life time partner of **Lions International Eye Foundation**. “**Eye Campaign**” is associated with **Meridian Group & Lions International Eye Foundation**. Meridian Group tries to conduct health issues for the under-privileged and deprived community. As a result Meridian Group Health Care Program has reached the under-privileged and deprived community.

Considering the health of the under-privileged and deprived community, Meridian Group has dreamt a new project of building a **Charity Hospital** in Noakhali District. Very shortly it will launch. Now, we can proudly say that we have been running this program since 12years and onwards.

Rural Development

Through our Meridian Agro Industry, we are able to contribute to the development for the rural people at Bandarban where the most of our workers are tribal. Gradually we are improving the conditions of these rural people wherever we operate our business.

Educational Program

Renewing its CSR philosophy, Meridian Group has ensured the educational program for the child of the underprivileged workers as well as for local villagers where our business is being operated. It arranges **Scholarship Program** for the meritorious Students of the country. Besides, to ensure the mandatory education of its workers, Meridian has run the educational program for its workers and for the rural people. Meridian provides free necessary educational equipments to the child of its rural people so that they can enjoy their rights of education. In this current year, we have provided a Grant for Scholarship Program to **Lions International Club**.

Relief Fund

Being a natural disastrous country, Bangladesh has to face lots of natural disasters almost each year. As a helping hand of the Government of Bangladesh, Meridian Group reaches its hands to the affected people at the time of natural disaster all over the country. Meridian Group has a **Relief Fund** to operate this program. It donates its relief to the Honorable Prime Minister's Relief Fund, Protom alo Relief Fund, Lions International Club, Dist: 315 before Inner Wheel Club, Dist: 345 and Chander Hat, a National Children, Youth & Juvenile Organization. Even sometimes we personally donate the relief to the affected people.

Distribution of Winter Clothing

A large number of people in Bangladesh live under the poverty line and with the touch of misery due to extreme cold in winter season. In the north zone of Bangladesh, the percentage of poor people live below the poverty line is quite high. Their existence can also be found in our capital. Many of them are child. They cannot afford to buy winter clothes to keep them warm. So, to give them some warm care, Meridian Group distributes **Quilt** and **Clothes** to these people in winter season. At every winter season, **Meridian** runs this program very eagerly.

Promoting to Sports & culture:

Meridian is promoting sports and culture from the front line. The managing director of Meridian Group is the President of Nasirabad Sporting Club, Chittagong. Being a promoter, he patrons the sports events and manages the event time to time very passionately. Moreover, Meridian arranges so many cultural programs for promoting cultural tradition and the artist too. It arranges competition so that the real artist and true development can be happened.

Training Programs:

Meridian is just not only a profitable or business organization rather a well being organization. It thinks over it employees and their welfare. So, it comes to take so many exposure visits for its employee at every year. True development depends on true skill of the employee and proper training which will be very helpful for both company and employee.
